Carla Mathers & Roger Williams, Sponsored by Troy Univ ITP & Alabama Dept. of Mental Health

I got a lot of response from those of you interested in having a site for this workshop here in our office! I am currently working with our facilities staff and IT as well as the IT people at Troy University to try and get the technical details worked out. You will still register with them and they will be the ones providing the ceu's, I will just be providing the site (and snacks) locally. I see the deadline for registration is Oct. 31<sup>st</sup> so we have a little time, but I will update you as soon as I can so you can make your plans and register accordingly. I am really excited about this opportunity and am doing my best to make it happen!

**New Mexico Interpreter Conference-A Confluence of Cultures**

I attended this conference and it was a wonderful experience. The workshops were excellent as was the opportunity to meet and chat with sign language interpreters, language interpreters and court personnel from other states. This is an annual conference, held the first weekend in Oct., and I plan to attend again and I recommend it highly.

**Office Update**

I want to thank all of you for your patience and understanding as I am doing my best to manage the Gridcheck scheduling as well as stay on top of my other responsibilities. I have been able to keep up with invoice processing and payment on a 2-week basis so far, but please understand that there may be times where it takes me a few more days to get them done depending on my other demands. On a personal note, my husband will be having open-heart surgery in mid November so I will be working a lot from home for a few weeks and there may be a little delay with invoices that month. We will be trying to hire someone soon, on a temporary basis to provide some support, so I will keep you updated about that.

**I truly enjoy working with you all again on a day-to-day basis and am reminded everyday that I am blessed to work with such an amazing group of professionals.**

**Thanks for all you do, Cheri**
